FROM SUCCESS TO SIGNIFICANCE

*Happiness is not so much in having or sharing.
We make a living by what we get,
but we make a life by what we give.*

— NORMAN MacEWAN

There is no life without money, but life is not all about money. The goal of financial planning is to achieve financial independence. Beyond satisfying personal needs, financial plans include ways to distribute one's surplus for the benefit of others. The beauty of the MLM business is that it is more than just a means of obtaining financial freedom. It provides learning opportunities that result in continuous personal growth and offers lifestyle choices enabling you to make a difference to the lives of those around you. To quote John Kalench (from *Being The Best You Can Be In MLM*). "Network marketing is like life itself. This unique form of business enterprise is so very special. It works the same way you do — it's a pure and perfect mirror of life itself." MLM enables life to be a game — fun, played with passion, and cheered by many.
